

MRI TRADING AG

Our offices are 2 minutes from the train station in Baarerstrasse 53.
We are on the 4th floor.

Leave the train station in the incoming direction from Zurich, platform 4 at the end section 4.
There is a subway the last on the platform (the very end). Go down the stairs and turn left,
your heading for the junction and traffic lights.

After 150 meters you will see a large red statue of cast iron man. You are directly in front of
our office.

(There is a Bistro "Monsieur Baguette" and also the entrance to Fitness Centre. In the
corridor use the lift to reach the 4th.)

View from the train station platform 4 to our offices.
